

Inspiration

Stimulation for the human mind; somebody or something that inspires

Passion

A strong liking or enthusiasm for a subject or activity

Synergy

Combined effort being greater than parts; when the result is greater than individual capabilities

TAKE ACTION!

Inspiration. Passion. Synergy.

Mission

- Stimulate awareness of others in need
- Generate enthusiasm and responsiveness
- Motivate others to work together and **TAKE ACTION!**

From reaching out to help a friend in need to working to find a cure for a disease, what matters is that we work to make a positive impact on the community around us.

We must recognize that we cannot expect our children to be inspired, passionate and willing to help others if we, ourselves, are not taking action.

Find something that inspires you.

Learn and develop a passion.

Work together with others to make a difference.

TAKE ACTION!

Little SPORT **TAKE ACTION!** Plan:

Each month we will highlight a different charity, link it to our website and e-blasts, donate funds from every class and Arena membership enrollment and hold at least one fundraising event. We will inspire our families; we will inspire our children. Together we will TAKE ACTION and make a positive impact on the world around us.

If you have a charity you would like to nominate to be part of our **TAKE ACTION!** Program, please send an e-mail to: jen@littlesport.net
