About Us

Little SPORT is a creative learning and play center for children 6 and under. Daily we work to inspire a generation of children who love to play; Children who grow up seeking a healthy, active alternative to television and video games.

Specializing in classes, parties and play, the Little SPORT goal is to develop self esteem, social and motor skills creatively through the fun of sports.... All in the cleanest, safest and friendliest place around!

We look forward a great summer with your children!

Work Together, Have Fun, Let's Play!
